JIM GILSTRAP, HEAD FOOTBALL COACH

Jim Gilstrap enters the 1981 football campaign as the new head football coach at Fort Hays State. Even so, he is no stranger to Tiger football. Gilstrap joined the Tiger coaching staff last season, serving as the squad's defensive line coach. Along with his football duties, he served as the head wrestling coach for the Black and Gold.

The popular 39-year-old South Bend, Indiana native was promoted in late May to replace

former head coach, Bobby Thompson. Thompson had been at the Tiger helm the past two years, accumulating a 9-10-2 record in the progress. In the transaction, Gilstrap became FHSU's 16th head football coach.

Gilstrap came to Fort Hays State in 1980, after serving two seasons as offensive line coach at Western Michigan. He has also coached football and wrestling at Kansas State, Edinboro State, Illinois State, Case Western Reserve, and Culver Military Academy.

Gilstrap holds a Master's degree in Education from Southern Illinois and his Bachelor's degree from Western Michigan in English and Physical Education.

Although the job will be Gilstrap's first assignment as head coach, he has both the experience and depth to make 1981 a season Tiger fans will remember.

DENNIS BEAN, DEFENSIVE COORDINATOR

A 1965 graduate of Fort Hays State, Dennis Bean's roots are deep at FHSU. The Phillipsburg native is in his third season with the Tigers and will coordinate their defensive efforts this fall.

A 12-year veteran of the collegiate coaching ranks, Bean has extensive experience in the CSIC. He spent five years at Washburn before coming to FHSU and spent the two years before that at Missouri Western. The 36-year-old coach has

also served coaching stints at St. Mary of the Plains and Central Missouri State.

Bean earned three letters as the Tigers' middle guard from 1963 to 1965. He was chosen as an NAIA honorable mention All-American in his junior year.

ANDY ROBERTSON, OFFENSIVE COORDINATOR

Andy Robertson is in his first season with the FHSU coaching staff, serving as both an assistant football coach and the Tigers' head wrestling coach.

Robertson comes to Fort Hays State after serving the past five seasons as the offensive coordinator for football and the head wrestling coach at New Mexico Military Institute. He also has football and wrestling coaching experience at Edinboro State, University of North Carolina, Derry Area High School (Derry, Pennsylvania), and Florence High School (Florence, Colorado).

As an assistant coach at FHSU, the responsibilities will not be entirely new to Robertson. While at Edinboro State, he was an assistant coach with Jim Gilstrap. During their coaching stints there, Edinboro recorded two undefeated seasons.

A native of Aliquippa, Pennsylvania, Robertson is married and has two children.

GRADUATE ASSISTANT COACHES

WES ALSTATT / RUNNING BACKS

Wes Alstatt is in his second season with the FHSU coaching staff, serving as a graduate assistant in charge of the Tiger running backs. Alstatt played for the Tigers in 1978 and 1979, gaining 1,351 yards on 312 carries.

TODD DOBBS / WIDE RECEIVERS

Todd Dobbs will serve as a student coach in charge of the wide receivers in his first year with the Tiger coaching staff. Dobbs was a starting flanker for FHSU in 1979 and 1980. He also doubled as the Tigers' top punter, averaging 38.1 yards per punt.

CRAIG FRAZIER / DEFENSIVE BACKS

Craig Frazier joins the Tiger coaching staff as a first year graduate assistant in charge of the defensive backs. Frazier was an outstanding wide receiver in his college days at Western Michigan and will also assist the wide receivers at FHSU. The past year Frazier coached at Portage Northern High School (Portage, Michigan).

GREG NEWELL / DEFENSIVE SECONDARY

In his first year at FHSU, Greg Newell will serve as a graduate assistant coach in charge of the Tiger defensive secondary. A veteran of the high school coaching ranks, Newell has served the past three years as head football coach at Larned High School. Before taking on the head position there, he was an assistant with the squad for four years.

BILL TURNER / DEFENSIVE LINE

Bill Turner returns for his second year as a graduate assistant coach, concentrating on the Black and Gold's defensive line. A former lineman himself, Turner played four seasons with the Tigers, capturing numerous post-season honors. In his second year, Turner tallied 73 solo tackles and 48 assists to pace the Tiger defense.

THE 1981 TIGER FOOTBALL OUTLOOK

By
BOB DAVIDSON
Sports Editor, Hays Daily News

It could be said the loss of Bobby Thompson was Jim Gilstrap's gain.

Even before the end of the 1980 season, Fort Hays State football fans were talking about 1981 and how it could be one of Thompson and FHSU's best teams ever.

Granted, the Tigers had just finished the 1980 campaign with a 4-4-2 record, including a 3-2-2 mark in the Central States Intercollegiate Conference, but the hopes were built on the future, not on the past.

The Tigers were returning 37 lettermen, including a whopping 18 starters, in 1981. FHSU would have experience, depth, size and speed heading into the campaign.

The Tigers, were indeed, loaded and appeared ready to stalk Kansas, Nebraska, and western Missouri in search of a long-awaited CSIC title.

But the complexion of things changed during the off-season.

On May 21, the University of South Dakota named Thompson its new athletic director, leaving FHSU without a football coach and athletic director.

In an effort to continue on the path already blazed by Thompson and Co., FHSU quickly filled the football void by naming Gilstrap as "B. T.'s" replacement.

The immensely popular and highly respected 39-year old Gilstrap had coached the Tigers' defensive line during the 1980 season and had been elevated to defensive coordinator for the 1981 season.

He had also been an assistant coach at Western Michigan, Kansas State, Edinboro State, Illinois State, Case Western Reserve and Southern Illinois.

"This program is on a solid foundation and it's just a matter of continuing what we've been doing," Gilstrap said following his promotion.

"For the first time in a long time we're in a position where we can compete with some of the better teams in the CSIC. We're going to strive to be as good as we possibly can and shoot for the first division."

"But first you have to be competitive before you can be considered a contender."

In the light of what the Tigers have coming back this fall, Gilstrap will have the personnel to be competitive and even contend.

The Tigers return nine offensive starters and nine defensive starters, giving Gilstrap the kind of experience every coach dreams of.

The offense returns three of the four starting members

of last year's backfield, led by senior quarterback Rick Mondt. Mondt came of age in 1980, completing 69 of 144 passes for 1,144 yards and 10 touchdowns. Junior Mike Moore also returns to backup Mondt after hitting on 41 of 83 passes in 1980 for 452 yards and four TDs.

Jeff Briggs returns at tailback after leading the team in rushing in 1980 with 689 yards and 10 touchdowns. The versatile Broken Bow, Neb. native also caught 18 passes for 202 yards during the season. Senior Brent Blau will provide relief for Briggs.

Junior fullback Tony Federico, a bull-like fireplug who plowed for 509 yards in only five games last year, is returning along with senior fullback Robert Stewart, who churned for 427 yards to give the Tigers two quality power runners.

Mondt and Moore will have several reliable targets to throw to this fall, including All-CSIC junior tight end Phil Brethower. Brethower, who is also a wicked blocker, hauled in 20 passes for 257 yards and three touchdowns.

Junior split end James Davis, who grabbed 18 passes for 202 yards and two TDs last year, is also back. Junior Tony Workman is expected to see duty at split end while Tim Graber will back-up Brethower.

Finding replacements for graduated flankers Todd Dobbs and Colin Toot will be imperative.

The offensive line returns four of last year's five starters, led by senior All-CSIC tackle Mike Norris. The 6-2, 245 pound Norris is joined by junior guard Stan Johnson, senior center Craig Stephenson and junior tackle John Gaskin.

Sophomore guard Benny Olquin and senior tackle Kent Colwell are back after missing most of last season with knee injuries. Senior tackle Dennis Johnson will provide experience and depth on the offensive wall as will junior transfer tackle Danny Divinski.

Stephenson will be spelled by junior Bruce Deterding, who handles the snapping duties on punts and extra points.

Defensively, the Tigers appear to be equally strong.

All-everything middle linebacker Junior Hartig has graduated after a fabulous career at FHSU, leaving only junior Doug Doubek and senior Tim Holt to fill in.

Doubek picked off four passes last year and was second on the team in tackles (48 solo and 28 assists) behind Hartig. Junior Darrell Bauer, who played safety last year and picked off four passes, will be moved to linebacker this fall.

The strength of the Tiger defense will undoubtedly be the defensive backfield where three starters return. Cornerbacks Ron Johnson (junior) and Dolphin Perkins (sophomore) are back along with junior safety Brad Webb, who led the Tigers with five interceptions last fall.

Junior Kirk Maska and sophomore Vernon Dozier are also expected to see action.

The defensive line is a bit of a question mark after struggling through last season.

Sophomore tackle Bruce Forney returns along with senior nose guard Ivan Chrisman, junior defensive ends

Darryl and Harold Dumas and sophomore tackles Curtis Pitts and Mark Witte.

Highly touted Ellis freshman Chris Honas should see action as a defensive end or linebacker.

Although the defensive front is young, the group showed promise last year and improvement is expected this year.

Place-kicking will be handled by sophomores Mike Ellsworth and Howard Putter. Ellsworth kicked four field goals and 25 extra points while Putter booted four extra points when Ellsworth went down with a knee injury during the middle of the year.

Ron Johnson inherits the fulltime punting chores after sharing them with Todd Dobbs last year. Johnson averaged 38.6 yards a kick last year.

The 1981 schedule favors the Tigers with CSIC toughies Kearney State, Missouri Western and Pittsburg State all coming to Hays along with a young but dangerous Emporia State squad. The non-conference home slate includes Langston (Okla.) University and Panhandle (Okla.) State.

The basic ingredients are there and could make the 1981 season an unforgettable one for Tiger fans.

TIGERS TO THE PROS

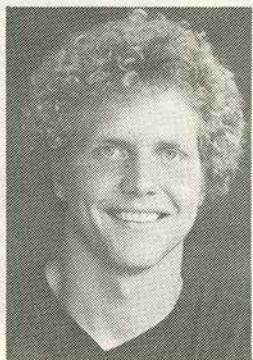

This year, two Fort Hays State University football players have signed free agent contracts with National Football League teams.

HOSKIN HOGAN

Former FHSU Quarterback Hoskin Hogan has most recently signed a free agent contract with the Denver Broncos, while defensive standout Jr. Hartig has signed a similar pact with the Miami Dolphins.

Hogan, who played one season at FHSU, set new school records in several passing categories. Upon his graduation in 1979, Hogan signed as a free agent with the Dallas Cowboys.

JR. HARTIG

While at FHSU, Hogan completed 16 passes for 350 yards against Pittsburg State, to establish a new single game high. The Compton, California native also inked new marks for most completions (123) in a season and most yards passing (1,790) in a season. A new single season total offense record (1,667) also belongs to Hogan.

Hartig, who received top CSIC honors in his last two seasons with the Tigers, was also an NAIA honorable mention All-American in 1979.

Throughout the 1979 season, Hartig tallied 82 solo tackles and 68 assists to pace the Tiger defense. Again in 1980, Hartig led the FHSU attack with 84 solo tackles and 41 assists.

GERALD TOMANEK
Fort Hays State University
President

The Number One Fan of Fort Hays State Athletics is Dr. Gerald (Jerry) Tomanek. Dr. Tomanek and his lovely wife, Ardis, are virtually permanent fixtures at Tiger home football and basketball games. The couple also attended many road contests as well.

Since 1947, Dr. Tomanek has been a part of Fort Hays State University serving in several capacities. On January 17, 1976, Dr. Tomanek was named the seventh President of Fort Hays State University. Dr. Tomanek holds two degrees from the University and has his doctorate in Botany from the University of Nebraska.

Several honors have been bestowed on the expert of grassland ecology and range management. The highest of which came in the early spring of 1979 when Governor John Carlin decreed Dr. Tomanek as "Kansan of the Year."

Dr. Tomanek recognizes the need for strong academics and the need for excellent administration in an institution of higher learning. The President knows also the importance that athletics can play in institutional success.

"I am very proud of our total athletic program, and it is an integral part of our total university," said Dr. Tomanek. "Young men and women are very fortunate to participate in intercollegiate athletics and can learn valuable lessons like friendship and teamwork in a way that will enhance their horizons."

TOM STROMGREN

Fort Hays State University Athletic Director

When Bobby Thompson resigned in late May as FHSU's Athletic Director and Head Football Coach, the Tigers were left with two major voids to fill.

Lured by a desire to return to FHSU and the "challenge to see Fort Hays grow into one of the best NAIA schools in the nation", Tom Stromgren was named the Tigers' new Athletic Director on July 5, 1981.

For Stromgren, the appointment was a triumphant return to the school where his coaching career had ended 10 years earlier. In his three years as head football coach for the Tigers (1969-71), Stromgren had posted an overall record of 7-21-1.

Before coming to Fort Hays State in 1969, Stromgren earned his Master's degree at the Kansas State Teachers College of Emporia. After leaving the college setting in 1971, Stromgren entered private business and has enjoyed that venture the past 10 years.

Always an innovator, Stromgren possesses integrity, enthusiasm, fund-raising skills, a successful business background and a knowledge of western Kansas, which will enhance both Tiger Athletics and Fort Hays State University.

BRAD BROWN

Head Trainer

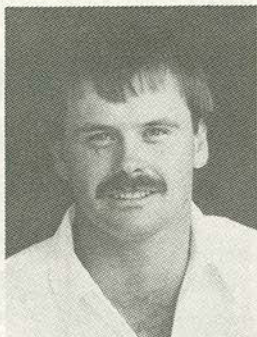

The first person on the scene when a Tiger athlete is injured is usually head trainer, Brad Brown. Brown is in his fourth year at Fort Hays State University.

No stranger to Tiger Athletics, before assuming the duties as head trainer, Brown served a four-year apprenticeship, under Bill Lyons and Steve Antonopolus, as a student trainer at Fort Hays State.

A double graduate of Fort Hays State (1977-1978), Brown earned both his Bachelor's and his Master's degree in physical education.

In addition to his trainer's duties, Brown serves as a part-time instructor.

The Norton, Kansas native and his wife, Kristi, are the proud parents of Kyle Brown.

FORT HAYS STATE UNIVERSITY

Fort Hays State University is 79 years young. The western Kansas campus is a combination of native limestone, new concrete, and copper. Compare old Sheridan Coliseum to "the Palace on the High Plains," Gross Memorial Coliseum.

The tradition of a quality education is alive on the Fort Hays State campus. An outstanding faculty employs modern teaching techniques and new technologies to help over 5,500 students reach their goals.

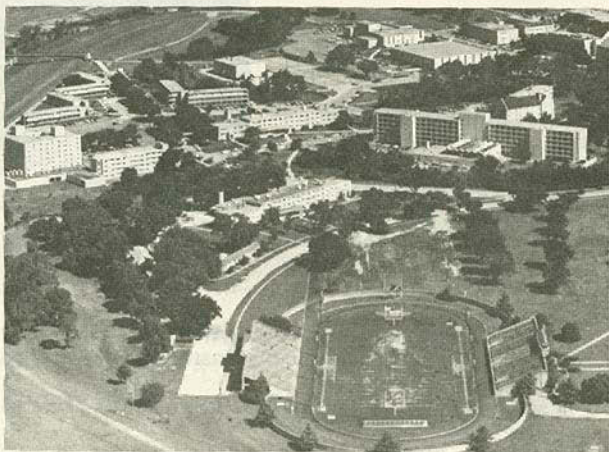

Located in the historic Hays, Kansas, Fort Hays State University straddles the banks of Big Creek, on the west side of the city.

At one time, western legends such as "Wild Bill" Hickock and Calamity Jane populated the town.

While Fort Hays State University is the educational center of western Kansas, Hays is the hub for agriculture, business and service industries.

The University fills the needs for education, service and research to the community by offering degrees from its five schools: Business, Education, Nursing, Arts and Sciences, and the Graduate School.

Fort Hays State University stands for high quality education on the high plains.

TIGER BOOSTER CLUBS

Contributors to the Fort Hays State University athletic program can join one of several booster clubs depending on the amount of their contribution.

The Black and Gold Club is for contributions of \$5 to \$35. Features of this club include a membership card entitling holder admittance to Tiger Rooms, schedules of athletic events, the athletic newsletter, priority on purchase of football and basketball season tickets and special events and travel.

Contributions of \$36 to \$99 denote the Varsity Club level. Included in this club are all the features of the Black and Gold Club plus a higher priority on the purchase of season tickets.

A \$100 to \$499 donation enables contributors to be classified as Century Club members. Besides the above-mentioned features, members receive a leatherette plaque with name, reserved parking space at athletic events, name listed on Athletic Board and a card decal.

All-American Club status is achieved with a contribution of \$500 to \$999. Club members, in addition to the features of the Century Club, are entitled to varsity brochures, coaches letters and after-game parties.

The highest level of membership is the Flying Tigers Club for contributions of \$1000 or more. Flying Tiger members have top priority on purchase of football and basketball season tickets, VIP parking, eligible for all the features of the other clubs.

A popular booster club at Fort Hays State University is the Tiger Beef Club. Membership in the Beef Club is awarded to interested boosters who contribute a steer or cash (\$250 or more which is used to buy a steer) each year. Proceeds from the sale of such livestock go directly into the department's budget. Beef Club Members receive similar benefits as do members of the Century Club.
